ABOUT US

At EcoBuild Solutions, we are passionate about providing you with an exceptional selection of products, each carefully sourced from various continents to enhance the American market.

Our commitment is to ensure the highest quality while always respecting the environment. Your satisfaction is at the heart of everything we do, and we're committed to providing you with the best possible service while remaining friendly and professional.

PET DOOR

Our flagship product is made of HDF or HDR HR coated with a decorative PET foil, made of Post-consumer plastic.

Decrease in on-site labor as they arrive ready for installation.

No painters required On site.

PET sheet made of recycled plastic.

Resistant to any chemical disinfectant.

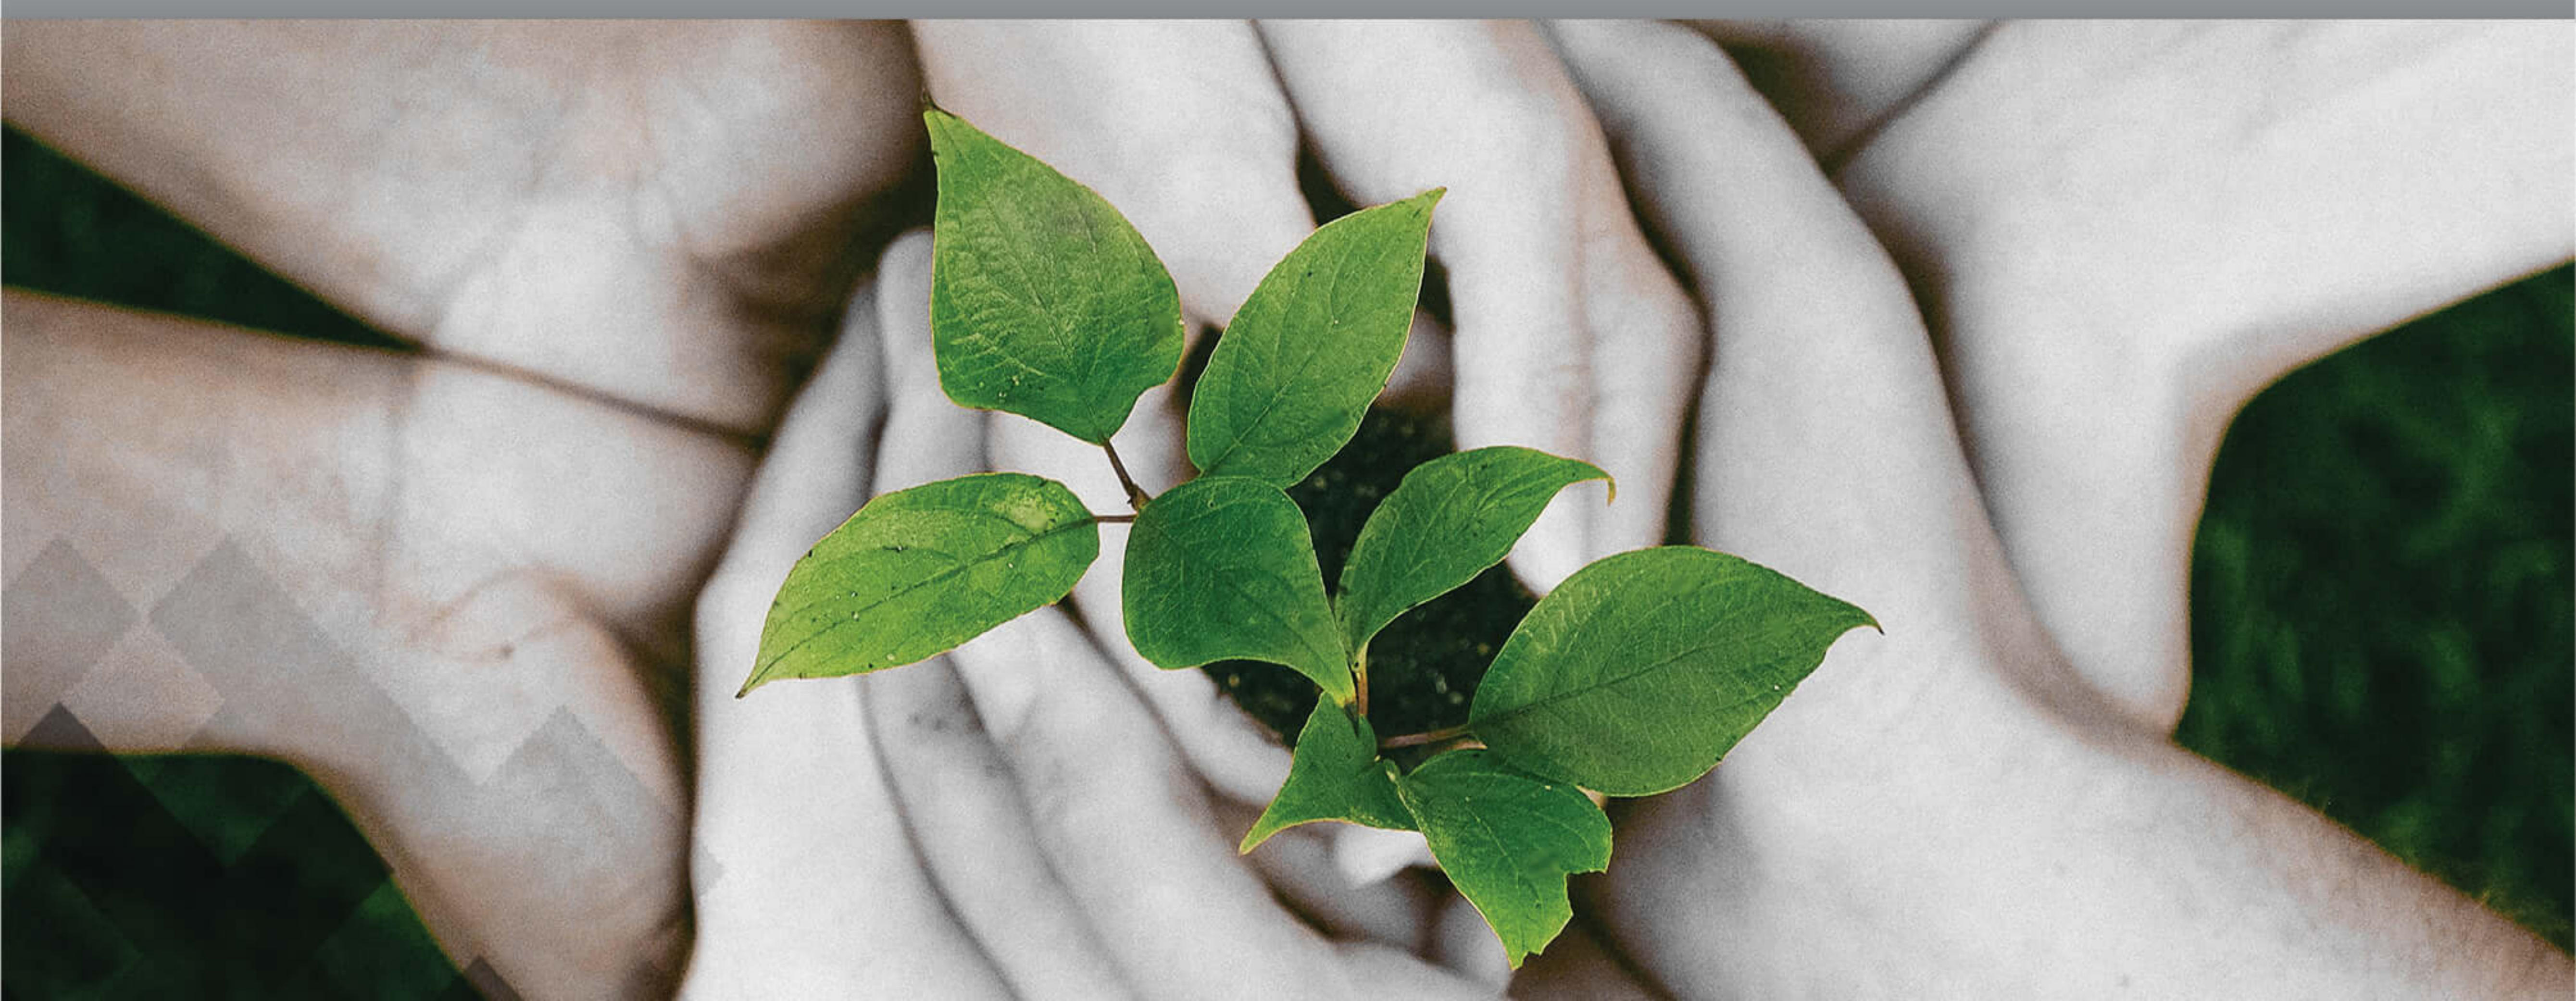

Resistant to scratches, moisture and discoloration.

5 year warranty.

Granted certificates of Eco sustainability.

ASPEN PET

If you love wooden textures, but don't want the weight, the PET ASPEN door is for you.

EVEREST PET

Our PET EVEREST door, with its smooth, white, satin, polyurthane texture, will add a touch of style that enhances your minimalist space.

RIGA PET

Add a touch of design and texture to your doors with our white PET RIGA model.

SENEGAL PET

The elegance and style of our PET SENEGAL door will add glamour to any entryway.

MONTREAL PET

The texture and avante-garde design of our PET MONTREAL door makes it one of our favorites.

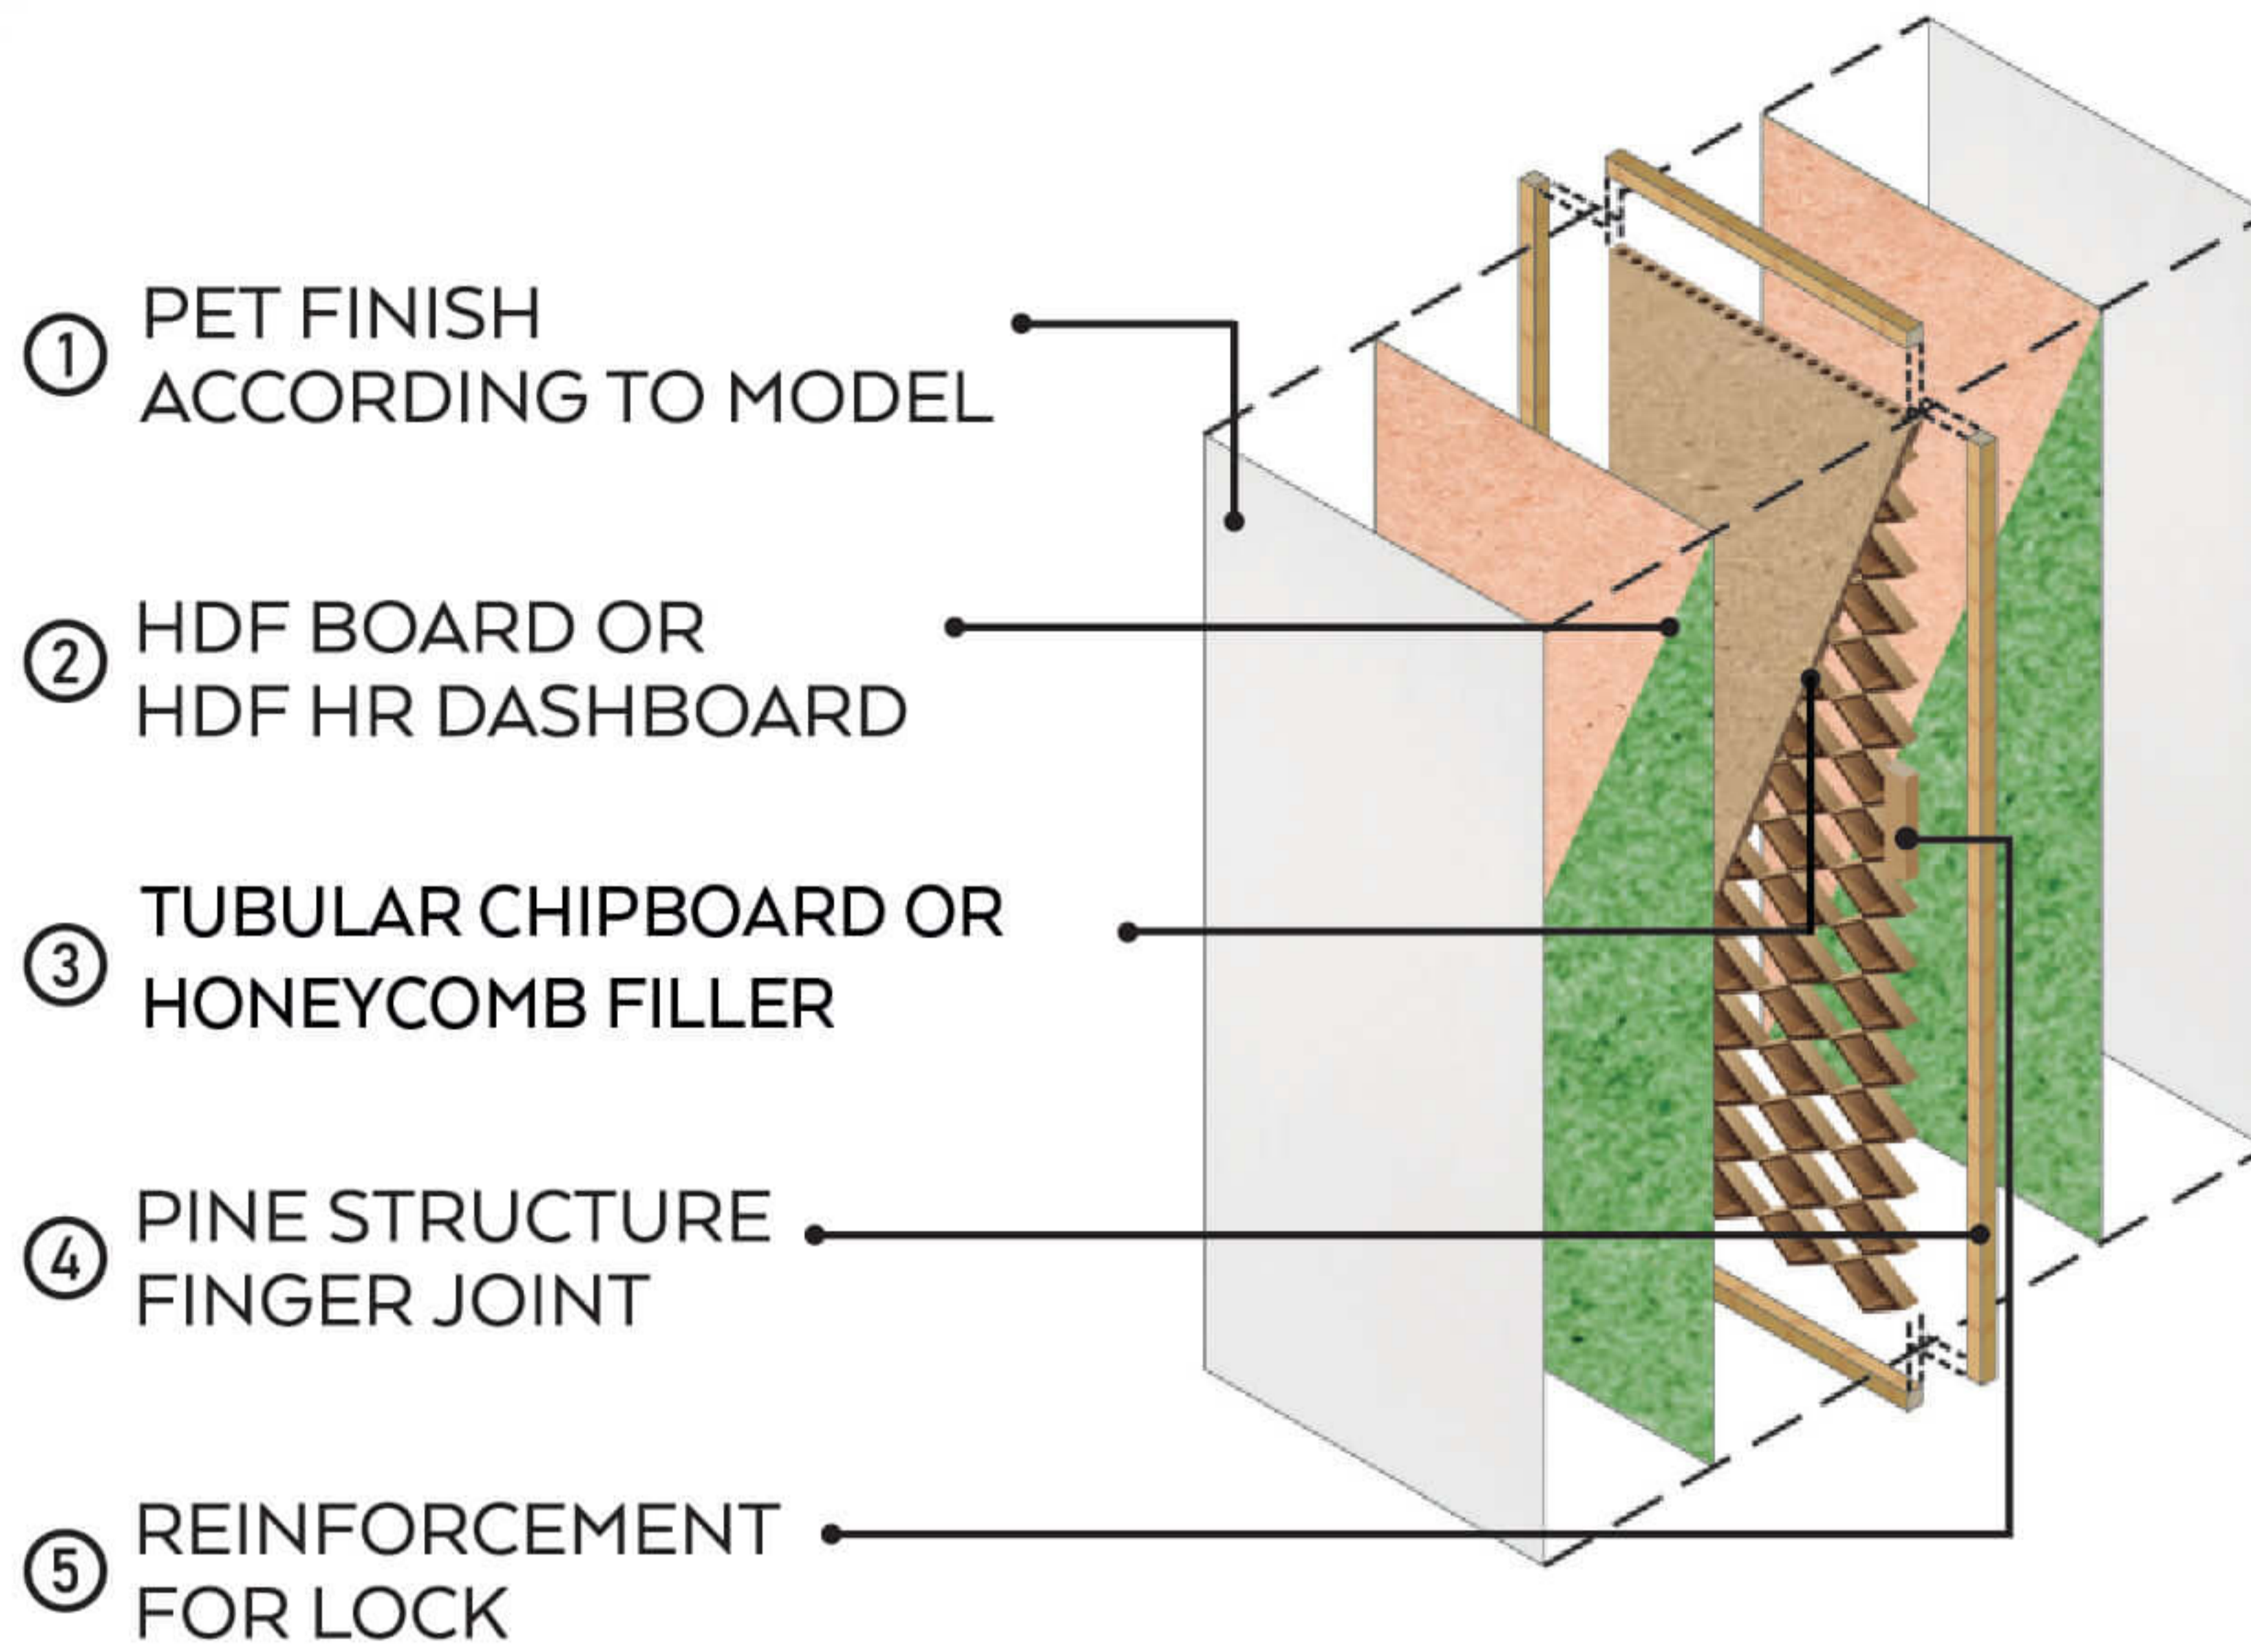

ONTARIO PET

The texture of our ONTARIO PET door evokes the feel of the trunk of a tree.
